Sto-Stiftung

Positions on contemporary architecture

Lecture series “November Reihen” 2014 at five European venues

Stuttgart. The successful “November Reihen”, a lecture series on contemporary architecture, has been funded by the non-profit foundation Sto-Stiftung since its launch in 2006. This autumn, Bratislava will be added to the four venues Stuttgart, Graz, Milan and Paris. Exciting work reports by renowned architects can be experienced there.

Expecting people interested in architecture at the Tiefenhörsaal of the K2 high-rise of the University of Stuttgart every Wednesday:

- 5. Nov. | Odile Decq, Studio Odile Decq
- 12. Nov. | KerstenGeers, OFFICE KerstenGeers David Van Severen
- 19. Nov. | Andreas Cukrowicz, CukrowitzNachbaur Architekten
- 26. Nov. | Robin Cross, Article 25

Talking at the auditorium “Alte Technik” of Graz University of Technology on Mondays:

- 3. Nov. | Mauricio Pezo, Sofia von Ellrichshausen, Pezo von Ellrichshausen
- 17. Nov. | Arno Brandlhuber, b&k+
- 24. Nov. | CarmePigem, RCR Arquitectes
- 1. Dez. | SasaRadic, Randic and Associates

Taking position at Ecole Nationale Supérieure d'Architecture de Paris-Belleville:

- 6. Nov. | José Morales, MGM Arquitectos
